with any questions. Adult sizes are available too!

Spring Uniform Sale

The PA is collecting school uniforms that your child has out grown. Place your unwanted clothes in the large bins in the main office. If enough clothing is collected there will be a uniform sale later this school year.

Ice Skate Social

With approximately 80 people in attendance this was a great event. The PA received such positive feedback that this event has been added to next year's school calendar.

Photo's Needed for Yearbook

The yearbook committee needs your school photos of field trips, classroom activities and social events. Please put your pictures on a CD or DVD and labeled yearbook. CD/DVD's should be turned into the main office or given to Suzanne Rose or Le Nette Kay. Thanks for your help.
